

**Arcadia Neighborhood Association  
Minutes July 18, 2022**

**President Rex Brueggeman** called the meeting to order.

**Attendance** was recorded

**Ice Cream Social:** The Arcadia Ice Cream Social will be held Wednesday, August 17, at the Arcadia Elementary School from 4 pm to 7 pm.

Community Police Officer Andrew Groeneveld has been contacted and asked to attend along with representatives from the fire department and the K9 unit. There was also a discussion about possibly having a “bounce house” for the kids and food truck(s) for all. Signs highlighting this event will be posted throughout the neighborhood. Details of this event will also be posted on the Arcadia website and our Facebook page.

**Parking:** Please contact KDPS if you are unsure about parking a vehicle overnight on or near the street. Enforcement may vary from street to street.

**Safety:** Lock your cars! Do not leave valuables or keys in your car. Stolen vehicles remain a problem across Kalamazoo county.

**Arboretum Parkway:** If your property is adjacent to the Arboretum walking path, and there is a tree on the Parkway property you feel might fall into your yard, contact your insurance company to help you decide what your options might be. Documenting the condition of the tree in question might be your first step to protecting your interest, in case the tree falls into your yard.

**Election:** The election of the Arcadia Officers and Board Members at Large will be held during the October Arcadia Neighborhood Association meeting. This is an opportunity to get involved to improve the quality of life in the neighborhood by providing opportunities for communication on matters related to the welfare of the neighborhood and promoting programs to enhance the physical, social, and economic environment of the neighborhood.
